252 BRIXTON ROAD,
BRIXTON, SW9 6AQ

LOCATION

The property is situated in a secondary position fronting Brixton Road to the north of Brixton town centre between Brixton and Kennington. Brixton Road forms part of the main A23 commuter route and the property benefits from considerable passing vehicular traffic which is fairly constant but particularly heavy during the rush hour periods. Brixton Road is a busy bus route and thus the property is highly visible. The surrounding area is a densely populated residential catchment and the property shares the vicinity with mainly secondary traders although there is a nearby Coral bookmaker. There are short term loading and parking bays at various points along Brixton Road including immediately outside.

DESCRIPTION

The property comprises a ground floor lock up shop with large basement beneath. The property, which was most recently used as a retail carpet shop, has additional natural light from the rear, relatively high ceilings and a full height basement. The ground floor is currently partitioned to provide some rear storage in addition to the retail area and the shop itself benefits from security shuttering across the entire frontage. The property is considered suitable for a variety of trades.
